

KEYWERKS™ ANGLED FACEPLATES

PDS-0220-EN

DESCRIPTION

Keywerks™ Angled Faceplates feature a low profile angled opening when flush-mount housing is desired. Compatible with all Keywerks keystone jacks, multimedia connectors, and any other connector with a standard Keystone footprint. Available in single gang with 1, 2, or 4 connectors per faceplate. The Keywerks standard faceplates can be installed directly onto the wall.

FEATURES and BENEFITS

- Angled opening provides for a low profile and ensures proper bend radius in front and back of connector
- Compatible with Keywerks™ Keystone jacks, multimedia connectors, and any other connector with a standard Keystone footprint
- Single gang available in 1, 2, 4 and 8 port
- Quick and easy installation
- Flush mount design
- Custom Colors available on request

APPLICATIONS

- FTTx Applications
- Work area outlets
- Multimedia applications
