Cat No: 52066297

UPC No: 783310018537

Description

- Operates well on various hard surfaces with some obstructions
- High performance caster balances high pay load with smooth, quiet operation
- Offers a softer tread for smoother travel while resisting flat spots and damage from debris
- Fits Greenlee GMX carts with quick change caster mechanism
- Ideal for construction sites or industrial applications where heavy loads are moved often
- Brake Included
