- Convenient lanyard hole
 - Preloaded with an 18mm LBB heavy-duty ultra-sharp black snap-off blade

Premium Comfort and Maximum Performance

The Comfort-Grip Series features an anti-slip, rubber grip handle to provide all day comfort, extra stability, and user control. The 18mm Heavy-Duty Comfort-Grip Utility Knife (NOL-1) features an acetone resistant, elastomer handle with a nylon ratchet-wheel lock.

This versatile cutter also has a heavy-gauge stainless steel blade channel to firmly secure the blade in place. The ratchet-lock allows for unlimited blade positioning. Just turn the wheel clockwise to lock for secure blade hold during pushing and pulling movements.

The Heavy-Duty Comfort-Grip Utility Knife (NOL-1) is preloaded with an 18mm LBB Heavy-Duty Ultra-Sharp Black Snap-Off Blade for cutting construction grade materials such as drywall, roofing, flooring, rubber, linoleum, gasket materials, and more. Works with LB, L-SOL, LBB, LFB, LWB, and LH 18mm blades. (NOL-1/BB, #1118008)

- 1 OLFA 18mm LB Silver Snap-Off Blade, providing sharper initial cutting performance
- 2 Stainless Steel Blade Channel
- 3 No Tool Blade Change, easier and quicker blade change
- 4 Ratchet-Lock Mechanism
