

HI-VIZ FASTFIT®

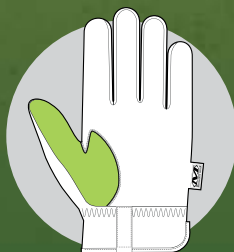

HIGH-VISIBILITY HAND PROTECTION

The Hi-Viz FastFit® glove is built using ANSI-107 compliant reflective and fluorescent materials to make you more conspicuous in hazardous working environments. High-visibility TrekDry® material helps keep your hands cool and comfortable, while Hi-Viz reflective print provides eye-catching luminance. The anatomically cut two-piece palm eliminates material bunching for maximum control and the elastic cuff provides a secure fit with easy on/off flexibility between tasks.

REFLECTIVE

High-visibility reflective strip and hi-viz reflective ink enhance visual awareness.

SECURE FIT

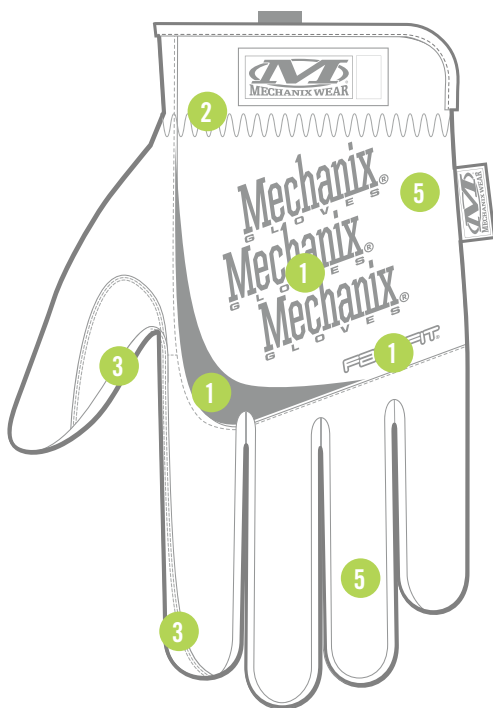

Anatomically cut two-piece palm eliminates material bunching for an exceptional fit.
