20" PACKOUT™ Tote

Our PACKOUT™ modular storage system is the industry's most durable and versatile storage system. The 20" PACKOUT™ tote features an impact-resistant molded base that connects with all other PACKOUT™ system components via integrated locking cleats. We constructed the durable tote with 1680D ballistic material and all-metal hardware so it can withstand harsh jobsite environments. The 20" storage tote features 32 pockets, including two zippered pockets, to organize your tools and accessories for easy access and visibility. Our PACKOUT™ modular storage allows you to customize and build your own storage system to easily transport and organize your tools and accessories.
