

SnowForce™ | SNOWD200L

Insulated gauntlet gloves that provide winter protection down to -45°C / -49°F

-45°C
-49°F

ABOUT THE PRODUCT

Designed with arctic winters in mind, these calfskin gloves provide crucial warmth in extreme cold. Their Temperloc lining ensures winter protection in temperatures down to -45°C / -49°F and can be easily removed for cleaning and drying. Elasticized wrists lock in heat and keep cold out, and their 6.5" double layer nylon gauntlet cuffs have been designed to slide over snowmobile suits and parkas. They even feature a removable cheek warmer and pile wiper.
