

## TOUGH CUT™

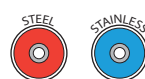

PERFORMANCE CUTTING WITH  
ANGLE GRINDERS AND CIRCULAR SAWS

These thin wheels for angle grinders and circular saws are made with the characteristics of these tools in mind. They will cut fast and free without binding, to minimize the load on the tool and to maintain high rpm for a clean cut and best all around performance.

- ✓ For general purpose cutting of all types of steel and stainless steel with angle grinders
- ✓ Fast, cool and free cutting
- ✓ Long wheel life

- ✓ For general purpose cutting of all types of steel and stainless steel with circular saws
- ✓ Fast, cool and free cutting
- ✓ Long wheel life
