Overview

The Milwaukee® 10" Hex-Jaw Pliers feature an aggressive V-Jaw geometry for the best fit and strongest hold on hexagonal bolts. An all-metal quick adjust mechanism allows for precise fits on hex bolts. Milwaukee Hex-Jaw pliers incorporate Milwaukee® REAM & PUNCH™ exposed metal handles (patent pending) and a precision ground pliers head for reaming pipe and punching electrical knock outs. Milwaukee® pliers feature slim profile over-molded comfort grips, which will not peel under jobsite conditions. All Milwaukee® pliers are forged for strength and feature rust protection
