

Pro-Load? Multi-Blade Cutter - # PL-1

The Olfa PRO-LOAD? Multi-Blade Cutter / Knife- a revolutionary new Olfa cutter that easily combats the need for continuous blade change. This cutter accommodates up to (6) heavy-duty blades per load, which equal a total of (48) new cutting edges per load. This cutter also features an auto-lock blade slide, a ratchet blade lock for extra support while cutting through difficult materials, and a blade storage lock for safety. Perfect for applications requiring multiple blade changes. (3) blades included. Handle is guaranteed forever. Uses replacement blades LB-5B, LB-10B, LB-50B, LBB-10B, LBB-50B, LH-20B, L-SOL-10B."

Part ID: OLFA5021
