5679C

## Description

NEMA 5-15, 6-15, 5-20 & 6-20, 15 & 20A, 125 & 250V/AC, 2P-3W

### Design features for plugs & connectors

- High impact-resistant thermoplastic housings with easy-grip grooves
- Assembly screws are speed-threaded and captive, reducing installation time
- Solid brass plug blades are firmly embedded in body
- Terminals in individual chambers to positively insulate conductors
- Terminal screws backed out - ready for wiring

### Design features for flanged inlets & outlets

- Mounting holes interchangeable with either designs
- Back-wired clamp type terminals
